The Northern Nursery School
Term 4 ** November 2014

END OF YEAR CHRISTMAS CONCERTS, PICNIC & BAND 4pm to 8pm
3 day Groups Tuesday 2nd Dec - 4.00 for 4.30pm start
2 day Groups Thursday 4th Dec - 4.00 for 4.30pm start

To celebrate the end of a wonderful year the children and teachers invite all our families and extended families to celebrate with us by coming to our NNS concerts and BYO picnic with live music and dance.

We ask you to bring the children at 4.00pm to their rooms so they can prepare themselves for their concert and then parents can settle outside and the concert will begin at 4.30.

The children in each group have prepared some very special things that they would like to perform for you and we are all very excited and proud of them all.

The BYO picnic will follow on after the concert, so please bring RUGS and everything else you will need, we will put all picnic things in the Melaleuca garden and after the concert we can celebrate the end of this year together. We are very fortunate to have a live band that will get us all up and dancing, the children will love it.....

We hope to see you all there, it is a wonderful experience and not to be missed, please let us know asap if you and your child are not able to be there. We wish all of our families a heart warming Christmas and a Happy New Year.
